Dear Madam/Sir,

Subject: Initial Public Offer of Virtual Galaxy Infotech Ltd.

This is with reference to the proposed plan for the initial public offering of equity shares of Virtual Galaxy Infotech Ltd. We are aware that an Initial Public Offering would require the Company to undertake several steps including but not limited to restructuring of the Board of Directors of the Company, amendment of its Memorandum of Association and Articles of Association, changes in the capital structure, changes in the shareholding of Promoters of the Company post the initial public offering etc., in compliance with the applicable laws and regulations. We are also aware that some or all of the aforesaid steps and certain other steps required to be taken by the Company in relation to its proposed initial public offering require our consent/prior written consent under various loan and other agreements entered into by the Company with us.

In view of the relationship between the Company and ourselves, we give our no objection with regard to their proposed initial public offering of equity shares, the listing of the Company's shares being offered through the initial public offering and any steps that the Company may take in respect thereof including the steps enumerated in the preceding paragraph, and this may be deemed as our consent under all the loan and other agreements entered into between us and the Company, to the extent that such consent is required under each of the said agreements. Needless to say, the Company will stand by all current commitments that the Company has to us.

Further we confirm that the accounts held by the Company with us are regular.
