

TRANSCRIPT OF THE 29TH ANNUAL GENERAL MEETING OF VIRTUAL GALAXY INFOTECH LIMITED

Management:

1. Avinash Narayanrao Shende : Executive Director, Chairperson And CFO
2. Sachin Purushottam Pande : Managing Director
3. Bhanupriya Nikhil Thakur : Independent Director
4. Jaideep Narayan Pawar : Independent Director
5. Asit Oberoi : Non-Executive Director
6. Ayush Munnalal Sharma : Independent Director
7. Anjali Vinay Padhye : Company Secretary

1. COMMENCEMENT OF THE MEETING

Ms. Anjali Vinay Padhye

Good morning, ladies and gentlemen.

I am Anjali Vinay Padhye, Company Secretary and Compliance Officer of Virtual Galaxy Infotech Limited.

I am pleased to welcome you all to the 29th Annual General Meeting of the Company, being conducted through Video Conferencing and Other Audio-Visual Means, in accordance with the applicable provisions of the Companies Act, 2013, the rules made thereunder, and the applicable circulars and regulatory requirements.

On behalf of the Board of Directors and all the employees of the Company, I extend my sincere thanks to all the shareholders for their continued faith, support and encouragement.

Before we commence the formal proceedings, I would like to briefly explain a few points for the smooth conduct of the meeting.

The facility for attending the AGM through electronic means is being provided in accordance with the applicable regulatory requirements.

Members attending the meeting are kept on mute by default to ensure smooth and uninterrupted proceedings. The Company has made the necessary arrangements to enable members to participate in the AGM and exercise their voting rights.

In case of any technical difficulty during the meeting, the members may please refer to the helpline number provided in the AGM Notice.

I would also like to briefly explain the voting process.

In accordance with the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015, the Company has provided the facility of remote e-voting through NSDL.

Members who have already cast their vote through remote e-voting are not required to vote again during the AGM.

Members who have not exercised their voting rights through remote e-voting may cast their votes during the AGM through the NSDL e-voting platform.

Since the resolutions forming part of the AGM Notice have already been circulated to the members and are being considered through the e-voting process, there will be no requirement for proposing or seconding the resolutions during the meeting.

The statutory registers and other relevant documents required to be made available for inspection have been kept available in accordance with the applicable provisions of the Companies Act, 2013.

With this brief information, I now request the Chairman of the Company, Mr. Avinash Narayanrao Shende, to take the Chair and commence the formal proceedings of the meeting.

Thank you.

2. CHAIRMAN'S OPENING REMARKS

Chairman – Mr. Avinash Narayanrao Shende

Thank you, Anjali.

Good morning, ladies and gentlemen.

I welcome you all to the 29th Annual General Meeting of Virtual Galaxy Infotech Limited.

As the requisite quorum is present, I now declare the meeting open.

I request the Company Secretary to introduce the Directors present.

Ms. Anjali Vinay Padhye

Thank you, Chairman Sir.

I will now introduce the Directors and other key participants present at the meeting.

The following Directors are physically present at the Registered Office of the Company in Nagpur:

Mr. Avinash Shende, Chairman, Executive Director and Chief Financial Officer of the Company.

Mr. Sachin Pande, Managing Director and Chief Technology Officer of the Company.

We are also joined virtually by the following Directors, and I request the Directors joining virtually to kindly confirm their presence for the formal roll call of the meeting.

Mr. Asit Oberoi.

Sir, you have to unmute. Sir, kindly unmute.

Mr. Asit Oberoi

Yeah, sorry.

Good morning. I am Asit Oberoi, Non-Executive Independent Director of Virtual Galaxy Infotech Limited. I hereby confirm my presence at the 29th Annual General Meeting of the Company. I am attending it virtually from Mumbai.

Company Secretary

Thank you, Sir.

This is Bhanupriya Thakur.

May I please request Mr. Jaideep Pawar?

Mr. Jaideep Pawar

Good morning, everyone.

I am Jaideep Pawar, Non-Executive Independent Director of Virtual Galaxy Infotech Limited. I hereby confirm my attendance at the 29th Annual General Meeting of the Company, and I am attending it virtually from Mumbai.

Thank you so much.

Ms. Anjali Vinay Padhye

Thank you, Sir.

May I now request Mr. Ayush Sharma to confirm his presence?

Mr. Ayush Sharma

Good morning, all.

I am Ayush Sharma, Non-Executive Independent Director of Virtual Galaxy Infotech Limited. I hereby confirm my presence at the 29th Annual General Meeting of the Company. I am attending virtually from Nagpur. Thank you.

Ms. Anjali Vinay Padhye

Thank you, everyone.

The presence of all the Directors joining virtually has been duly noted.

We are also joined virtually by the following key participants:

- CA Mohsin Hada, representative of the Statutory Auditors, M/s. K. K. Mankeshwar & Co., Chartered Accountants;
- CA Ashish Shahu, representative of the Internal Auditor, M/s. RKAS & Co., Chartered Accountants;
- CS Ajit Bhalgaonkar and CS Chetan Patankar, representatives of the Secretarial Auditors, M/s. PGBP & Associates LLP, Practicing Company Secretaries; and
- CS Varun Nahine representative of M/s. SAND & Associates, Scrutinizers for this AGM.

We sincerely appreciate the presence and continued association of all our Directors, Auditors and other participants with the Company.

Before proceeding with the formal business of the meeting, I request the Chairman, Mr. Avinash Shende, to address the shareholders.

Chairman – Mr. Avinash Shende

Thank you, Anjali.

It gives me immense pleasure to welcome you all to the 29th Annual General Meeting of Virtual Galaxy Infotech Limited.

On behalf of the Board of Directors, I extend my sincere appreciation to all our shareholders for your continued faith, confidence and support.

The financial year 2025-26 has been a particularly important year in the journey of Virtual Galaxy. It was a year in which we not only strengthened our financial and operational foundations, but also continued our transition into a publicly listed technology enterprise, with a clear focus on sustainable and long-term value creation.

I am pleased to share that the Company delivered a strong financial performance during FY 2025-26. Revenue from operations increased to ₹182.06 crores. Our EBITDA stood at ₹47.85 crores, while Profit After Tax increased to ₹46.09 crores.

The improvement in our performance reflects higher revenues, better operational efficiencies, effective project execution and favourable business mix. Importantly, our balance sheet also strengthened during the year.

The Company's net worth increased from ₹93.19 crores as at March 31, 2025, to ₹218.45 crores as at March 31, 2026. Our debt-to-equity ratio reduced from 0.43 times to 0.22 times, while the current ratio improved from 1.23 times to 2.17 times.

These numbers are not merely financial indicators. They reflect our continued emphasis on disciplined growth, prudent financial management and strengthening the Company's financial foundation.

During the year, the Company declared an interim dividend of ₹1 for equity shares of ₹10 each, representing 10% dividend on the face value of the equity share. The decision reflected our approach of balancing shareholders' returns with the Company's future capital requirements and growth plans.

We remain conscious that the capital entrusted to us by the shareholders carries a significant responsibility. Our objective, therefore, remains to deploy capital carefully, strengthen our business capabilities and create sustainable value over the long run.

Another defining milestone during the year was the successful listing of Virtual Galaxy Infotech Limited on the NSE Emerge SME Platform on 19th May 2025.

The IPO represents much more than a fundraising exercise. It marks an important transition in the Company's journey and brings with it a greater responsibility towards transparency, governance, disclosure and accountability.

The successful listing strengthened our financial position and provided us with additional resources to invest in technology, infrastructure, product development and future business opportunities.

We are grateful to our shareholders and investors who placed their confidence in the Company during this important phase of our journey.

The Company has continued to focus on deploying IPO proceeds in accordance with the approved objects and applicable regulatory requirements.

During the year, the Company also obtained shareholders' approval for variation and reallocation of certain IPO objects, including allocation towards the acquisition of land at MIHAN SEZ, working capital requirements and other approved purposes.

The acquisition of land at MIHAN SEZ represents an important step towards strengthening our infrastructure and creating a platform for future expansion. Our approach to capital allocation will remain disciplined. We will continue to invest in growth with financial prudence while maintaining adequate liquidity.

As a listed company, we recognise that financial performance alone does not define sustainable corporate success. Good governance, transparency, ethical conduct, regulatory compliance and accountability are equally important.

During the year, we continued to strengthen our Board and Committee framework, internal processes and compliance systems. We remain committed to maintaining timely disclosures and transparent communication with our shareholders and other stakeholders.

The confidence of investors, customers, employees, regulators and business partners is earned through consistent actions. We therefore intend to continue building an organisation where governance is integrated into the way we conduct our business.

While striving to build a stronger organisation, we recognise that technology companies are ultimately built by their people.

As of March 2026, VGIL had a workforce of approximately 429 professionals. Our people bring together technology expertise, domain knowledge and execution capabilities across our various businesses.

I would like to place on record my appreciation for the dedication and commitment demonstrated by our employees and the management team.

We will continue to invest in talent, capability development and leadership, because our ability to innovate and serve customers effectively depends fundamentally on the quality of our people.

Our strategy is therefore centred on strengthening our core businesses while selectively investing in emerging opportunities.

We will continue to focus on:

- strengthening our financial position;
- expanding our domestic and international presence;
- investing in technology and infrastructure;
- developing scalable and IP-led products;
- increasing recurring and long-term revenues;
- maintaining disciplined capital allocation; and
- strengthening governance and stakeholder communication.

Our international presence across markets including Tanzania, Malawi, Botswana and Zimbabwe provides a foundation for further expansion. Our focus on additional African and other international markets provides a foundation for further expansion.

At the same time, we remain conscious that the growth in the technology sector must be accompanied by sound execution, risk management and financial discipline.

Before I conclude, I would like to sincerely thank our customers, employees, business partners, bankers, auditors, advisors, regulators and government authorities for their continued support.

I also express my gratitude to my fellow Directors for their guidance and contribution throughout the year.

Most importantly, I thank our shareholders.

The confidence you place in the Company is our greatest encouragement and a responsibility that we deeply value.

The journey of Virtual Galaxy Infotech began nearly three decades ago. Today, we stand at an important new stage of this journey as a listed technology company with a strong financial foundation, a growing portfolio of technology solutions and significant opportunities ahead.

Our commitment is to build a company patiently, responsibly and sustainably. With continued support and confidence, we are confident that Virtual Galaxy Infotech will continue to strengthen its position and create enduring value for all the stakeholders.

Thank you once again for joining us today.

I wish you and your families happiness and prosperity.

Thank you.

Ms. Anjali Vinay Padhye

Thank you, Chairman Sir, for your address.

And now, with great pleasure, I would like to invite the Managing Director and Chief Technology Officer, Mr. Sachin Pande, to address this august gathering and share insights on the Company's strategic direction and operational achievements.

Sir, over to you.

Managing Director & Chief Technology Officer – Mr. Sachin Pande

Thank you, Anjali.

Good morning, respected members of the Board, esteemed shareholders, colleagues and all our stakeholders.

It is my privilege to address you at the 29th Annual General Meeting of Virtual Galaxy Infotech Limited.

I would first like to express my sincere gratitude to our shareholders for their continued confidence and support for the Company.

FY 2025-26 has been an important year for VGIL, as we continue to strengthen our foundations, expand our capabilities and prepare the organisation for the next phase of growth.

Virtual Galaxy Infotech has travelled a long way since its establishment in 1997.

Over the three decades, we have evolved into a technology company with capabilities across software development, digital payments, cybersecurity, data centre services, enterprise automation and e-governance.

Our flagship e-Banker core banking solution continues to be an important part of our business, supporting co-operative banks and financial institutions across India and international markets.

Our product portfolio has also expanded and includes solutions such as E-Banker, IBS-ERP, e-APMC, E-Autopsy, V-PAY, VGST, V-SOC, LOS, AOS, transport, TransactCore, AuditFlux, FinFlow, Virtual Vaani and Secureview AI, which is an AI-based computer vision solution.

Our focus is to continue developing these capabilities into scalable, innovative and commercially sustainable technology platforms.

Technology is changing rapidly, particularly in areas such as Artificial Intelligence, cloud computing, cybersecurity, digital payments and innovation.

During the year, we continued to invest in product enhancement and technology capabilities, with a focus on AI-led solutions, cybersecurity, digital payments, cloud technologies and data-driven platforms.

Our recognition at the TECHNOVITI 2026 Awards for our AI-powered cybersecurity platform was an encouraging acknowledgement of these efforts.

Digital payments also remain an important area of our growth strategy. We continue to strengthen our capabilities through V-Pay and TransactCore 360, along with our work in AI-led infrastructure intelligence and cybersecurity solutions, our customers remain at the centre of our business.

Our focus is to understand their requirements, provide dependable implementation and support, and build long-term relationships.

Today, our business expands across multiple Indian states and international markets, including Tanzania, Malawi, Botswana and Zimbabwe.

We will continue to focus on markets where our banking, fintech and digital transformation capabilities can address clear customer requirements.

Another important focus area is strengthening our product-led business model through scalable intellectual-property-led solutions, SaaS opportunities, recurring revenue and long-term customer engagements.

At the same time, our infrastructure strategy is evolving with our business. The acquisition of land at MIHAN SEZ, Nagpur, using IPO proceeds is an important step towards strengthening our technology and data centre infrastructure and supporting future business expansion.

As we continue to expand, we have also taken steps to strengthen our Board and leadership team. During the year, Mr. Sunil Kulkarni joined the Board as an Additional Director. He brings over 35 years of experience across technology and business, fintech, digital payments and financial services. His experience will further strengthen our capabilities in these areas.

We also strengthened our product leadership with the appointment of Mr. Abhay Chaudhary as Chief Product Officer. This appointment will provide greater focus on product strategy, product development and customer-oriented innovations.

Technology is ultimately about people, knowledge and execution. As of March 2026, VGIL had approximately 429 employees, including experienced engineers. I sincerely appreciate the commitment and contribution of every member of the VGIL team.

As we grow, we will continue to focus on technical capabilities, professional development, leadership development and creating an environment where our people can innovate and grow.

The technology industry is highly competitive and constantly evolving. Our approach will therefore remain disciplined, with a focus on sustainable growth, strong customer relationships, effective execution and long-term value creation.

Looking ahead, our key priorities are:

- strengthening our core BFSI and banking technology business;
- accelerating our efforts in Artificial Intelligence, cybersecurity, digital payments and cloud-enabled solutions;
- expanding our presence across government, enterprise and international markets;
- developing a stronger portfolio of IP-led products and recurring-revenue opportunities; and
- continuing to invest in our people, infrastructure and technology capabilities.

We believe that our domain expertise, technology capabilities, customer relationships and experienced team provide a strong foundation for the next phase of our journey.

As Managing Director, I assure our shareholders that our focus will remain on execution, innovation, responsible business practices, transparency and good governance.

I sincerely thank our customers, business partners, bankers, advisors, regulators and government authorities for their continued support. I also thank the Board for its guidance and, most importantly, our shareholders for their continued confidence and support.

We have completed nearly three decades of our journey, but there are many opportunities ahead of us.

Our guiding thought for the years ahead is simple:

“Innovate Today, Build for Tomorrow, and Create Value for Everyone.”

With the collective efforts of our Board, employees, customers, partners and shareholders, we look forward to another year of innovation, execution and progress.

Thank you for your valuable time, your continued confidence and your support.

Thank you.

Ms. Anjali Vinay Padhye

Thank you, Sir, for your valuable insights.

With the permission of the Chairman, I will now take up the formal agenda and business items of the meeting.

The Notice of the 29th Annual General Meeting dated 2nd September 2026, together with the Annual Report for the financial year ended 31st March 2026, and the Notice of AGM dated 15th September 2026, has already been circulated to all the members.

Therefore, with the permission of the members, I shall briefly read out the business items without reading the complete text of the resolutions and explanatory statements which are already set out in the Notice circulated to the members.

The business items are as follows:

ORDINARY BUSINESS

Agenda Item No. 1

Adoption of the audited financial statements of the Company for the financial year ended 31st March 2026, together with the Board's Report and Auditors' Report thereon.

Agenda Item No. 2

Re-appointment of Mr. Avinash Narayanrao Shende, who retires by rotation and, being eligible, offers himself for re-appointment.

Agenda Item No. 3

Confirmation of the interim dividend of ₹1 for equity share of ₹10 each, declared by the Board on 14th November 2025, as the final dividend for the financial year ended 31st March 2026.

SPECIAL BUSINESS**Agenda Item No. 4**

Approval of the material related party transactions with Finverse Private Limited, which was formerly known as Virtual Galaxy Fintech Private Limited.

Agenda Item No. 5

Approval of material related party transactions with Paynext Private Limited.

Agenda Item No. 6

Variation in the objects of the Initial Public Offer.

Agenda Item No. 7

Regularisation of Mr. Sunil Kulkarni, who has been appointed as Professional Non-Executive Additional Director.

The complete text of each resolution, along with the respective explanatory statements, has already been provided in the Notice of the AGM and the Corrigendum thereto circulated to the members.

Members are requested to refer to the Notice for the detailed terms and disclosures related to each item.

I will now briefly explain the e-voting process for the benefit of the members.

As this AGM is being conducted through electronic means and members are participating virtually, the provisions relating to the appointment of proxies are not applicable to this meeting.

The Company has provided the remote e-voting facility to all eligible members holding shares as of the cut-off date, in accordance with the applicable provisions of the Companies Act, 2013, the rules made thereunder and the SEBI Listing Regulations.

The remote e-voting period commenced on **21st September 2026 at 9:00 a.m.** and concluded on **23rd September 2026 at 5:00 p.m.**

Members who are attending today's AGM and who have not cast their vote through remote e-voting may cast their votes during the AGM through the NSDL e-voting platform.

The e-voting facility will remain open for 15 minutes after conclusion of this meeting.

The Board has appointed **M/s. SAND & Associates, Practicing Company Secretaries**, as the Scrutinizer to scrutinize the remote e-voting and e-voting conducted during the AGM in a fair and transparent manner.

The Scrutinizer will consolidate the votes received through remote e-voting and e-voting during the AGM and submit the report in accordance with the applicable provisions.

The voting results, along with the Scrutinizer's Report, will be disclosed within the prescribed time and made available on the website of the Company, and on the website of the Stock Exchange and NSDL, in accordance with applicable requirements.

With this, all the business items set out in the Notice of the 29th Annual General Meeting have been taken up.

I now request the Chairman to give his closing remarks and formally conclude the meeting.

Sir, over to you.

Chairman – Mr. Avinash Shende

Thank you once again.

I sincerely thank all stakeholders, Directors, Auditors and other participants for joining the meeting and for their continued support.

I also thank the Company Secretary and her team for making the necessary arrangements for the smooth conduct of this AGM.

With this, I declare the 29th Annual General Meeting of Virtual Galaxy Infotech Limited concluded.

Thank you, and please take care.

Ms. Anjali Vinay Padhye

Thank you, Chairman Sir.

As informed to the members, the e-voting facility will remain open for the prescribed period after the conclusion of this meeting.

The voting results, together with the Scrutinizer's Report, will be declared and disclosed within the prescribed timeline and in accordance with the applicable statutory and regulatory requirements.

On behalf of the Company, I thank all the shareholders and other participants for their valuable time and participation.

Thank you.

The meeting now stands formally closed.
