KEY ACHIEVEMENTS

VGIL E-Banker CBS software is highly esteemed and recognized by the RBI.

On May 11th, 2023, a prestigious VC event was organized by the NABARD, in which the MSC Bank & all DCCBs of Maharashtra participated.

During this event, NABARD expressed their utmost appreciation for VGIL's E-Banker CBS.

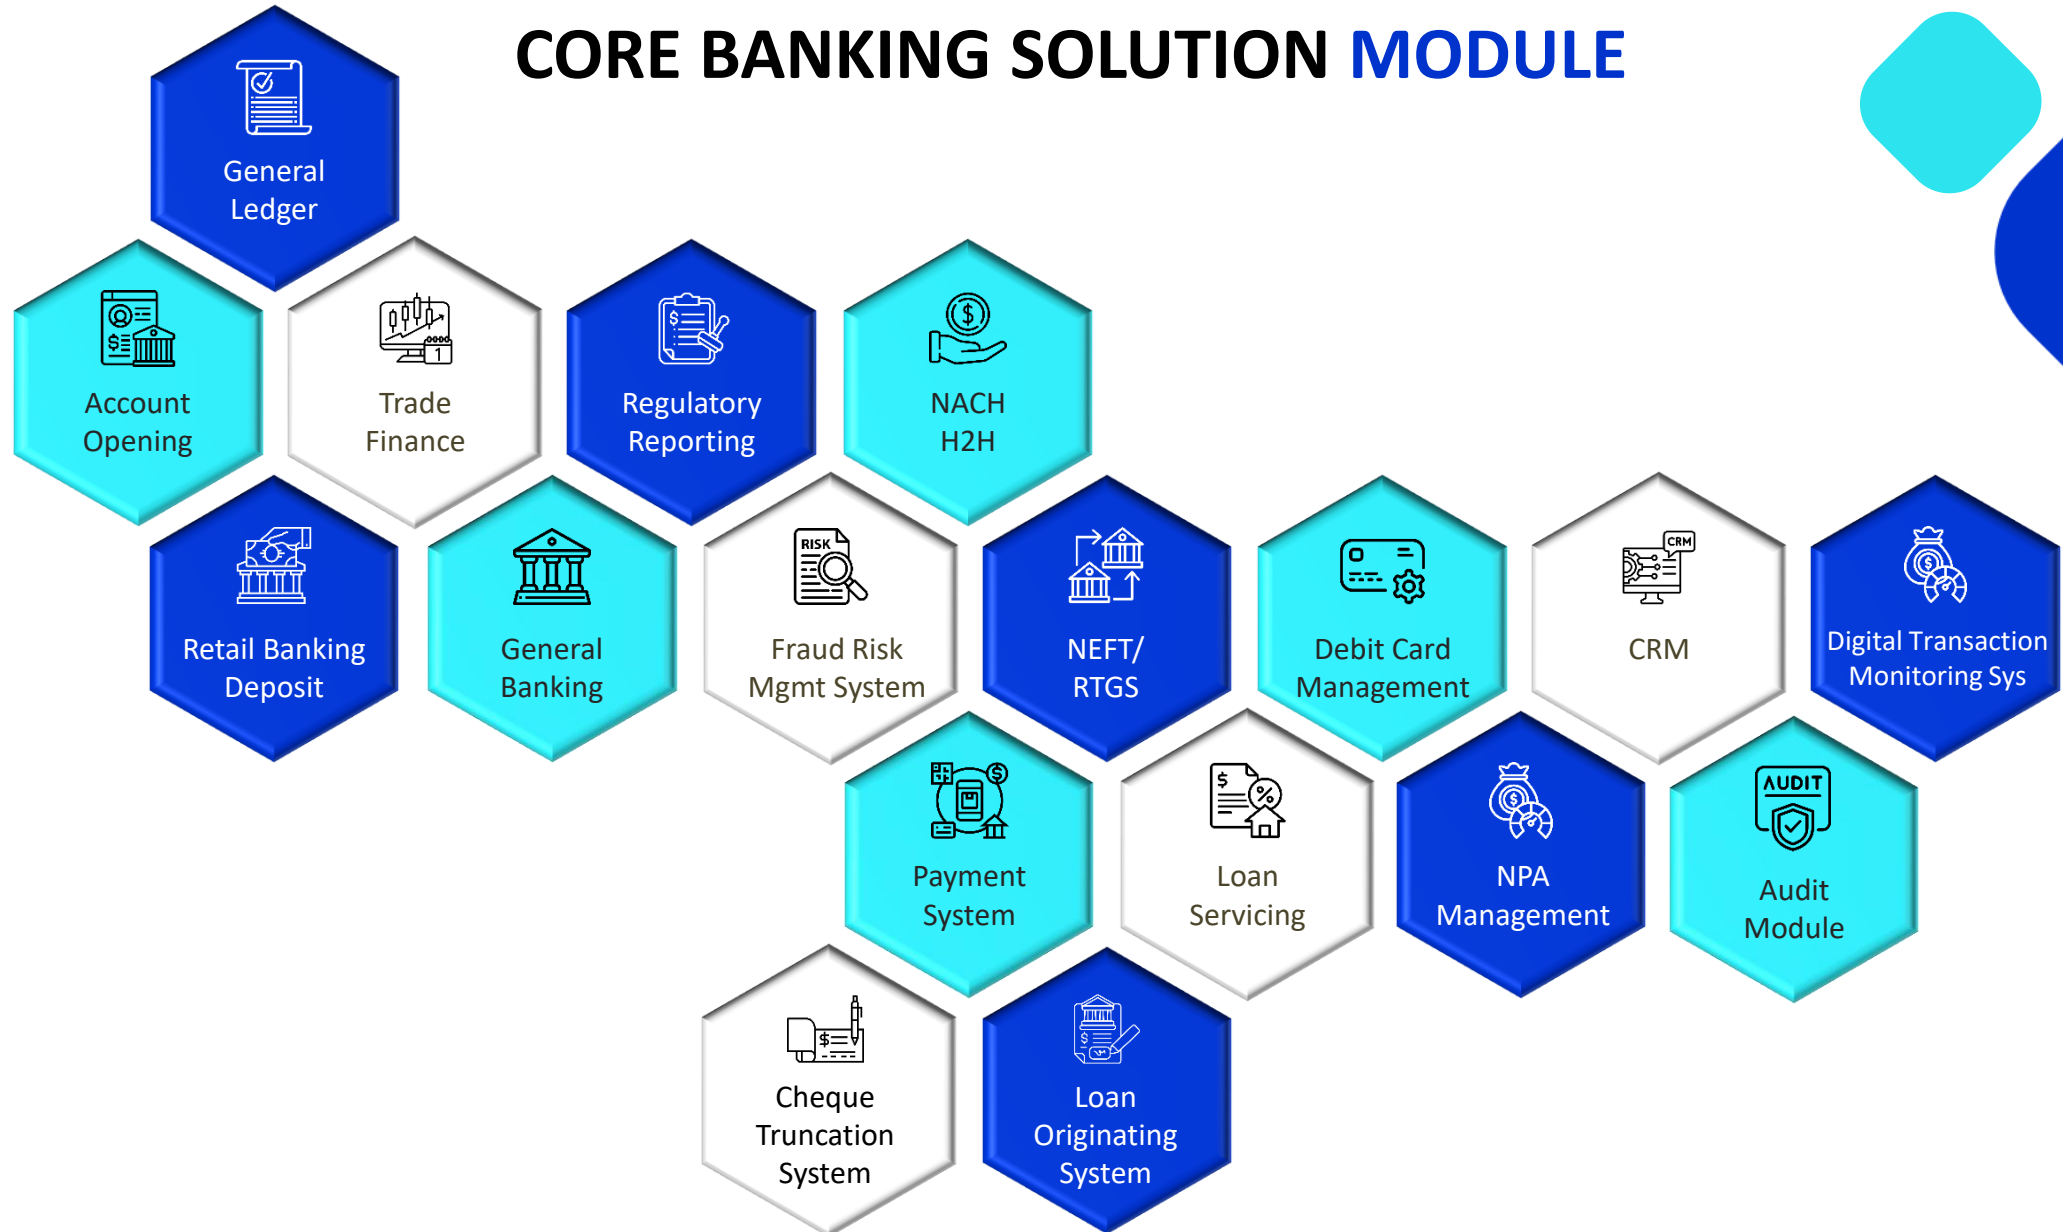

Highlighted the fact that VGIL has successfully implemented CBS in the highest number of DCCBs in Maharashtra.

A remarkable achievement of empowering nine DCCBs with the latest technology.

AI-BASED BANKING

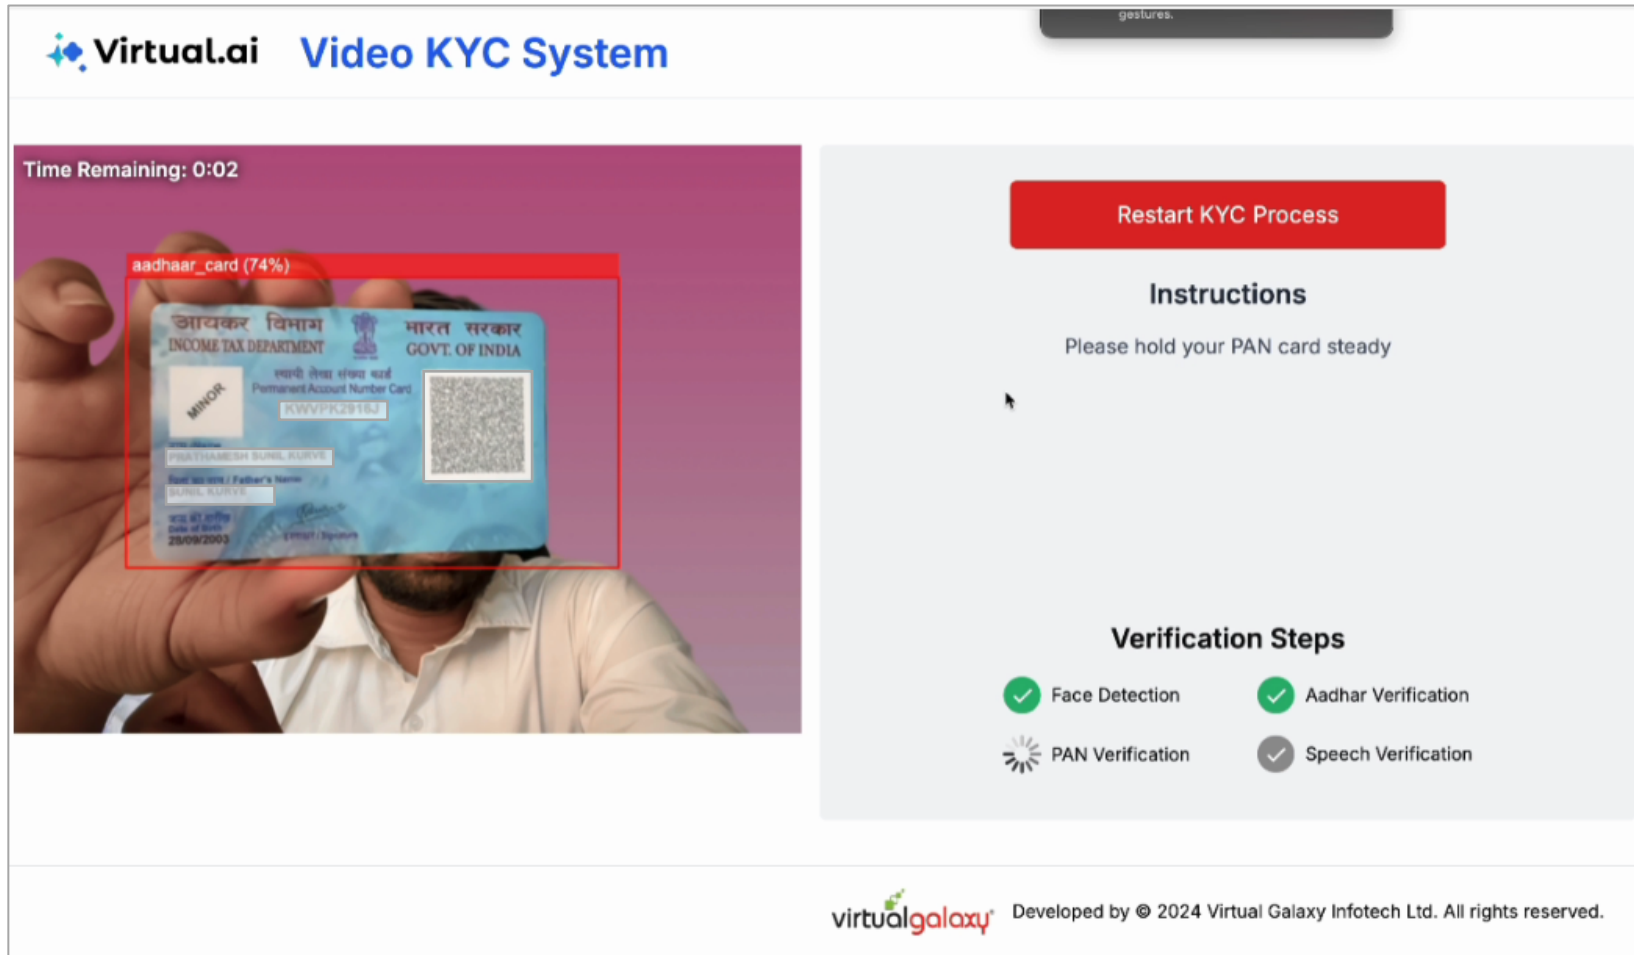

Welcome to Virtual.ai – Your AI-Powered Banking Assistant

- Chat naturally — NLP understands simple queries instantly
- AI processes requests in real time with human-like interactions
- Get clear confirmations using natural language
- Receive personalized debit info based on your query
- Smart chatbot replies with conversational feedback
- Instant acknowledgment of debit actions via AI
- Ask anything — AI fetches account details via NLP
- Type your request — chatbot provides statements with timeframe understanding
- Easily view your profile with AI interpreting queries

AI-BASED BANKING - VIDEO KYC

The interface for the Virtual.ai Video KYC System. It features a video feed on the left showing a person holding a PAN card, which is being analyzed by the system. A red box highlights the card, and a label 'aadhaar_card (74%)' is visible. The right panel contains instructions and verification steps.
